# Scss Structure

src/scss/style.scss

1 중복 사용값 **변수** 설정

```
@font-face {  
  font-family: "NanumSquareNeo";  
  font-display: swap;  
  src: url("../public/fonts/NanumSquareNeo-VariableFont-Nano.woff2");  
  url("../public/fonts/NanumSquareNeo-VariableFont-Medium.woff2");  
  url("../public/fonts/NanumSquareNeo-VariableFont-Light.woff2");  
}  
  
$color-theme: #005BD4;  
$color-black: #000;  
$color-dark-gray: #444;  
$color-gray: #888;  
$color-light-gray: #bbb;  
$color-white-gray: #eee;  
$color-white: #fff;  
  
$font-neo: 'NanumSquareNeo';  
$font-size-large: 36px;  
$font-size-medium: 24px;  
$font-size-regular: 16px;  
$font-size-small: 12px;  
$font-size-smallest: 11px;  
  
$screen-size-tablet: 1179px;  
$screen-size-mobile: 539px;
```

2 중복 사용 **디자인** 설정

```
@mixin font-weight($weight: 300) {  
  font-weight: $weight;  
  font-variation-settings: 'wght' $weight;  
}  
  
@mixin logo(  
  $size: 40px,  
  $color: $color-theme  
) {  
  display: block;  
  width: $size;  
  height: $size;  
  font-size: $size;  
  line-height: $size;  
  fill: $color;  
}  
  
@mixin style-button(  
  $shadow-size: 10px,  
  $color: $color-light-gray  
) {  
  box-shadow: 0 $shadow-size 0 $color;  
  transform: translateY(0);  
  transition: 0.3s;  
  cursor: pointer;  
  
  &:hover{  
    box-shadow: 0 0 0 $color;  
    transform: translateY($shadow-size);  
  }  
}
```

3 개별 컴포넌트 스타일 연결

```
// common  
@import './components/common/reset';  
@import './components/common/header';  
@import './components/common/footer';  
@import './components/common/layout';  
@import './components/common/filter';  
  
// list  
@import './components/list/article';  
  
// content  
@import './components/content/map';  
@import './components/content/contact';  
@import './components/content/contests';  
@import './components/content/popular';  
  
// pages  
@import './pages/indexSelect';  
@import './pages/list';  
@import './pages/content';
```

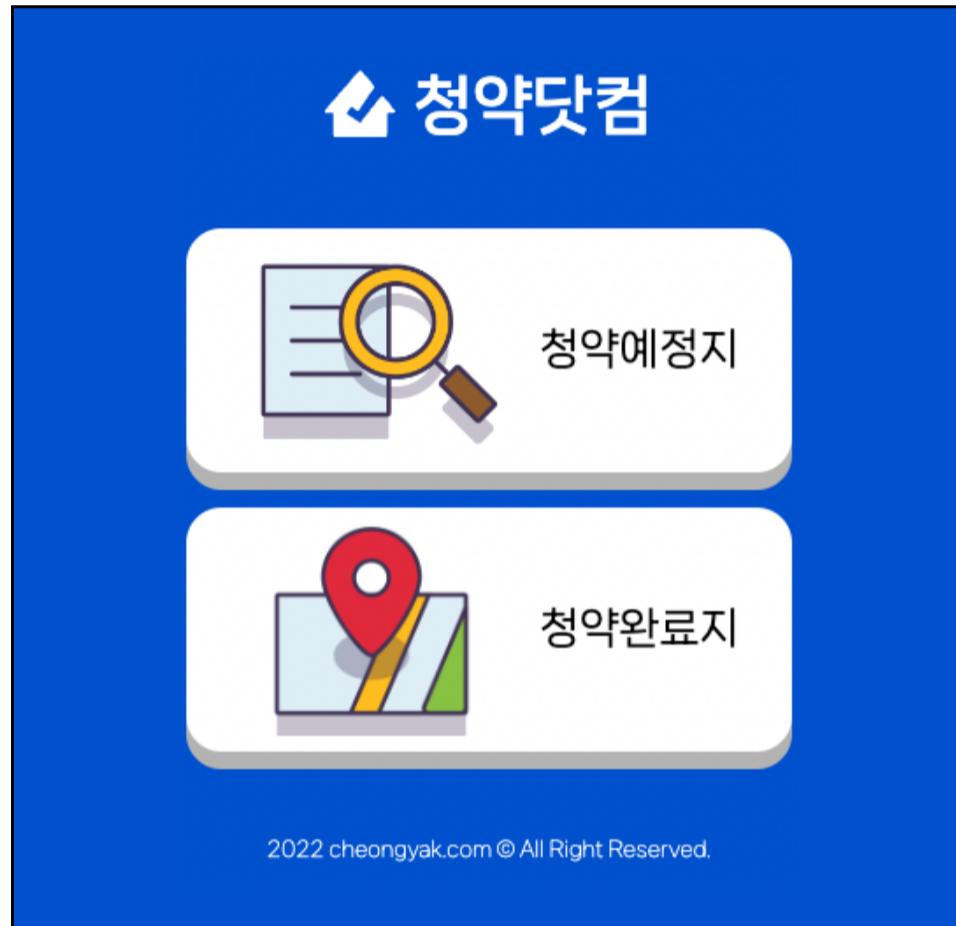

4 전역 및 중복 사용 **스타일** 지정

```
body{  
  font-family: $font-neo;  
  width: 100%;  
  height: auto;  
  min-height: 100vh;  
  position: relative;  
  overscroll-behavior: none;  
}  
  
.inner{  
  width: 1180px;  
  margin: 0 auto;  
}  
  
@media screen and (max-width: $screen-size-tablet){  
  .inner{  
    width: 100%;  
  }  
}  
  
.linkTargetBlank{  
  i{  
    margin-left: 2px;  
    font-size: $font-size-smallest;  
    transform: translateY(5%);  
  }  
  &:hover{  
    color: $color-theme;  
  }  
}
```
